However, this information will now be included in the TSDS Extract Errors Report (**Extract Errors Reprint** button) on the TSDS Level 1 Errors page.

District Administration > Inquiry > TSDS Level 1 Errors

Modified the **School Year** drop-down menu to show the latest available school year as the first option and **ALL** as the last option.

The screenshot shows a 'School Year' dropdown menu with '2026' selected. The dropdown list is open, showing '2026' as the top option and 'ALL' as the bottom option. Below the dropdown, there is a table with columns for 'Entity' and 'Calendar'. The first row shows 'School Calendar' under the 'Entity' column and 'Calendar' under the 'Calendar' column. At the bottom, there are navigation buttons: 'First', '<', '1 / 1', '>', and 'Last'.

Updated the TSDS Extract Errors Report (**Extract Errors Reprint** button) to include employees who are reported with more than 365 days employed or with zero days employed. This change is helpful for those users who have opted out of receiving TSDS emails by not providing an email address on the District Administration > Options > TSDS > Options tab.
