# ASCENDER Administration Release Notes

**Release Date:** 2/12/21 **ASCENDER Update:** 5.0.0200

## District Administration > Options > Login

Added this page to maintain the following ASCENDER user login preferences: Invalid Password Attempts, Lockout (in minutes), and Password Expiration (in days).

These user login preferences apply to all ASCENDER Enterprise applications and the following portals: EmployeePortal, ParentPortal, StudentPortal, and TeacherPortal.

**Note:** This functionality was removed from ASCENDER DBA Assistant.

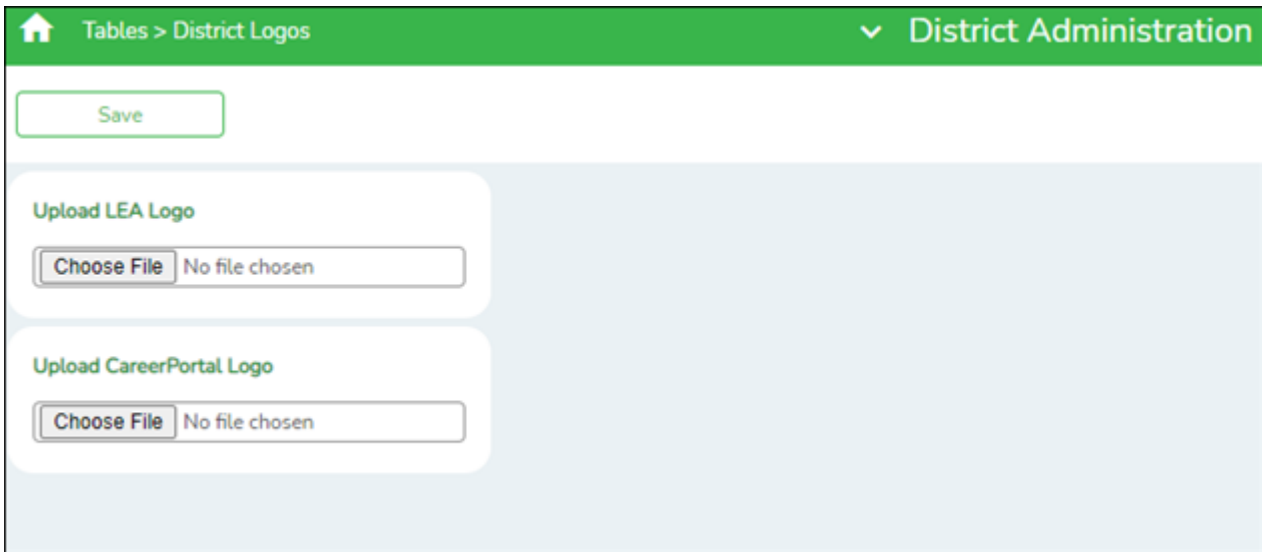

The screenshot shows the 'Options > Login' page in the ASCENDER Administration interface. The page has a green header with a home icon, 'Options > Login', a dropdown arrow, 'District Administration', and a grid icon. Below the header are 'Save' and 'Retrieve' buttons. The main content area is titled 'Login Preferences' and contains three input fields: 'Invalid Password Attempts:', 'Lockout (in minutes):', and 'Password Expiration (in days):', each with an empty text box.

## District Administration > Tables > District Logos

Added this page to upload LEA logos to be used in EmployeePortal, ParentPortal, StudentPortal, and TeacherPortal. In addition, users can upload a separate logo to be used only in CareerPortal.

**Note:** The functionality to upload a district logo in ParentPortal and TeacherPortal was removed in the 5.0.0000 Release. If the logo needs to be updated, place it directly on the server at TCC\TxEIS\Pictures\CCCD\dist\_picture\dist\_picture (with the applicable filename extension).

Once your LEA has transitioned to ASCENDER, you can upload the logo in District Administration.
