ASCENDER Release 8

ASCENDER 8.0100

Release Date: 9/11/23 **ASCENDER Update:** 8.0100

District Administration > Tables > LEA News

□ Added this page to allow LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item).

The screenshot displays the ASCENDER Administration interface. The breadcrumb path is "Tables > LEA News" and the current section is "District Administration". The interface includes a sidebar with a menu of options: PMIS, Receiving Addresses, District Information, Freight Terms, Electronic Signatures, Commodity Codes, District Logos, and LEA News (highlighted). The main content area shows a table with columns for Delete, Sel, Start Date, End Date, and Summary. The table contains two entries, both with a start date of 08-01-2023 and an end date of 08-16-2023. The first entry has a summary of "First Day" and the second has "More News Coming". Below the table is a pagination control showing "1 / 1" and buttons for "First" and "Last".

		08-01-2023	08-16-2023	First Day
