ASCENDER 11.0500

ASCENDER 11.0500

Release Date:1/8/26 **ASCENDER Update**: 11.0500

TSDS Updates

StudentEducationOrganizationAssociation Entity Update

❏ Updated the program to add the *FullTimeHybridVirtualProgramParticipationSet* Common Type to the StudentEducationOrganizationAssociation Entity.

> The *FullTimeHybridVirtualProgramParticipationSet* Common Type includes the set of data elements to indicate the type (hybrid or virtual) of program participation for a student under TEC §30B.001(2) and (4).

> **FullTimeHybridVirtualProgramParticipation** (E3134) indicates the type (hybrid or virtual) of program participation for a student.

Fall PEIMS - Student Special Education Program Association

❏ Corrected the issue that caused the *Student Special Education Program Association* extract logic to trigger fatal errors 41163-0109 and 41163-0110.

Staff School Association Extract

❏ Corrected a data issue in the Ed-Fi staging table that caused errors in the Ed-Fi Batch Error log when an employee had multiple responsibility records in Staff Demo.
