ASCENDER 6.1000

ASCENDER 6.1000

Release Date: **ASCENDER Update**: 6.1000

District Administration > Workflow > Approval Path

❑ Corrected the issue that prevented the **Duplicate From Existing** option from functioning.

District Administration > Workflow > Approval Rules

❑ Removed *Grants and Projects* from the **From** and **To Workflow Type** drop downs in the Duplicate pop-up window as it is not applicable.
