ASCENDER 8.0100

Release Date: 9/9/23 **ASCENDER Update:** 8.0100

District Administration > Utilities > Annual Student Data Rollover

Updated the program to add Child Care Operation Number tables to the Annual Student Data Rollover (ASDR) process.

Corrected an issue with the program that caused the utility to stop running and give the user an *Execute fail* message.

Corrected an error when performing the **EXECUTE** step that caused the utility to stop and give the user an unexplained error message.

District Administration > Tables > LEA News

Added this page to allow LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item).

The screenshot shows the ASCENDER District Administration interface. The top navigation bar includes a home icon, the text "Tables > LEA News", and "District Administration" with a grid icon. Below the navigation bar, there are "Add" and "Save" buttons. A "Quick View Title:" field contains "LEA News". A table with the following columns is displayed: "Delete", "Sel", "Start Date", "End Date", and "Summary". The table contains two rows of data:

Delete	Sel	Start Date	End Date	Summary
		08-01-2023	08-16-2023	First Day
		08-01-2023	08-16-2023	More News Coming

Below the table, there are navigation controls: "First", a left arrow, a dropdown menu showing "1", a right arrow, and "Last".

The screenshot shows the ASCENDER News and LEA News sections. The "ASCENDER News" section contains a list of news items:
