

ASCENDER 8.0200

Release Date: 10/6/23 **ASCENDER Update:** 8.0200

District Administration > Tables > LEA News

□ Added this page to allow LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item).

The screenshot shows the ASCENDER District Administration > Tables > LEA News page. The sidebar on the left lists various modules: PMIS, Receiving Addresses, District Information, Freight Terms, Electronic Signatures, Commodity Codes, District Logos, and LEA News (highlighted). The top bar includes a home icon, the breadcrumb 'Tables > LEA News', and a 'District Administration' dropdown. Below the top bar, there are 'Add' and 'Save' buttons. The main content area features a 'Quick View Title' field containing 'LEA News'. Below this is a table with columns: Delete, Sel, Start Date, End Date, and Summary. The table contains two entries, both with a start date of 08-01-2023 and an end date of 08-16-2023. The first entry has a summary of 'First Day', and the second entry has a summary of 'More News Coming'. Below the table is a pagination control showing 'First', navigation arrows, '1' / 1, and 'Last'.

The screenshot shows the ASCENDER Homepage Quick View dashboard. The dashboard is divided into several sections. At the top, there is a green header bar with a home icon. Below the header, there are three main sections: 'ASCENDER News', 'Approval Summary', and 'LEA News'. The 'ASCENDER News' section contains two items: 'Annual Student Data Rollover Survey' and 'Finance August'. The 'Approval Summary' section shows '# Pending' and 'ID/Freq' with a note 'No pending approvals'. The 'LEA News' section is highlighted with a black arrow and contains two items: 'First Day' and 'More News Coming'. The 'LEA News' section also has a pagination control showing '1x1', '1x2', '1x3', '2x1', '2x2', '2x3', '3x1', '3x2', '3x3', and a trash icon.
