## District Administration > Inquiry > TSDS Level 1 Errors

□ Modified the staging tables to extract actuals for classes 3XXX, 5XXX, and 7XXX objects by multiplying the amounts by -1. Note that this change will result in negative amounts for these classes if their current balances are positive. This corrects TSDS Mid-Year Finance fatal errors caused by the mentioned objects reporting negative amounts.

□ Corrected the issue that prevented fund balance totals from being included on the TSDS Prior Year Actuals report (**Extract Prior Year Reprint**). This corrects TSDS Mid-Year fatal error 20032-0007.

## TSDS Updates

### Class Roster Winter

☐ Modified the **Session** and **Section** end dates to be the next instructional day after the attendance semester/cycle ends.

### StudentCharacteristic and StudentCharacteristic > Period

☐ Updated the way *StudentCharacteristic* and *StudentCharacteristic > Period* are reported so multiple Begin and End Dates for the characteristic can be reported under *StudentCharacteristic > Period*.
