ASCENDER 9.0410

ASCENDER 9.0410

Release Date: 12/xx/24 **ASCENDER Update:** 9.0410

District Administration > Maintenance > Non-Employee > TSDS

Added this tab to create and maintain TSDS/Responsibility records for non-employees. The information on this tab is only extracted for non-employees who have an assigned **TX Unique Staff ID** on the Non-Employee tab.

The screenshot displays the 'Maintenance > Non-Employee' interface. At the top, there is a 'Save' button and a breadcrumb trail 'Maintenance > Non-Employee'. Below this, there are two tabs: 'NON-EMPLOYEE' and 'TSDS', with 'TSDS' being the active tab. The interface includes input fields for 'Employee Nbr:' (018952) and 'Name:' (AARON, ABCDE), along with 'Retrieve' and 'Directory' buttons. Below these are two data tables:

TSDS Days Employed Set

Percent Day Employed	TSDS # Days Employed	Begin Date	End Date
No Rows			

Responsibility

Delete	Details	Year	Campus	Staff Classification
No Rows				

District Administration > Inquiry > TSDS Level 1 Errors

Modified the staging tables to extract actuals for classes 3XXX, 5XXX, and 7XXX objects by multiplying the amounts by -1. Note that this change will result in negative amounts for these classes if their current balances are positive. This corrects TSDS Mid-Year Finance fatal errors caused by the mentioned objects reporting negative amounts.

Corrected the issue that prevented fund balance totals from being included on the TSDS Prior Year Actuals report (**Extract Prior Year Reprint**). This corrects TSDS Mid-Year fatal error 20032-0007.

TSDS Updates

Class Roster Winter

Modified the **Session** and **Section** end dates to be the next instructional day after the attendance semester/cycle ends.

StudentCharacteristic and StudentCharacteristic > Period

Updated the way *StudentCharacteristic* and *StudentCharacteristic > Period* are reported so multiple Begin and End Dates for the characteristic can be reported under *StudentCharacteristic > Period*.
