

ASCENDER 9.0410

Release Date: 1/7/25 **ASCENDER Update:** 9.0410

District Administration > Maintenance > Non-Employee

- ☐ Corrected the issue where begin and end dates were not saved upon creating a new record. These dates are now correctly saved when a record is added or updated.
- ☐ Modified the program to require the **Begin Date** and **End Date** fields for all records. This allows contracted staff to be tracked annually for TSDS reporting.
- ☐ Added the **Extract for TSDS** checkbox to the **Instructional Staff** section. This option will create an entry in the staging table for each non-employee who has a termination date when selected. Additionally, this option was added to the associated Non-Employee Report.

The screenshot shows the 'Maintenance > Non-Employee' form in the ASCENDER 9.0410 application. The form is titled 'District Administration' and includes a 'Save' button at the top left. Below the title bar, there are tabs for 'NON-EMPLOYEE' and 'TSDS'. The 'NON-EMPLOYEE' tab is active, showing fields for 'Employee Nbr' (018952) and 'Name' (AARON, ABCDE). Below these are buttons for 'Retrieve', 'Directory', 'Add', 'Delete', and 'Print'. The 'Name' section includes a dropdown for 'Title' and input fields for 'First' (ABCDE), 'Middle' (AARON), and 'Last' (AARON). There is also a 'Generation' dropdown. Below the name section are fields for 'Work E-mail', 'Job Code' (9999 - UNDEFINED), and 'Highly Qualified' (checkbox). The 'Local Use' section has two input fields, one with 'INSERTED'. The 'Instructional Staff' section includes fields for 'SSN', 'Sex', 'Date of Birth', 'Races' (Hispanic, American Indian, Asian, Black, Pacific Islander, White), 'Days Employed', 'Total Years', 'District Years', 'Percent of Day', 'Highest Degree', 'TX Unique Staff ID', 'TSDS Staff Type', 'Begin Date', 'End Date', 'Extract for TSDS' (checkbox), and 'Prior Teaching Years'. The 'Extract for TSDS' checkbox is highlighted with a red box.

District Administration > Maintenance > Non-Employee > TSDS

□ Added this tab to create and maintain TSDS/Responsibility records for non-employees. The information on this tab is only extracted for non-employees who have an assigned **TX Unique Staff ID** on the Non-Employee tab.

District Administration > Inquiry > TSDS Level 1 Errors

□ Modified the staging tables to extract actuals for classes 3XXX, 5XXX, and 7XXX objects by multiplying the amounts by -1. Note that this change will result in negative amounts for these classes if their current balances are positive. This corrects TSDS Mid-Year Finance fatal errors caused by the mentioned objects reporting negative amounts.

□ Corrected the issue that prevented fund balance totals from being included on the TSDS Prior Year Actuals report (**Extract Prior Year Reprint**). This corrects TSDS Mid-Year fatal error 20032-0007.

TSDS Updates

Class Roster Winter

- ☐ Modified the **Session** and **Section** end dates to be the next instructional day after the attendance semester/cycle ends.

StudentCharacteristic and StudentCharacteristic > Period

- ☐ Updated the way *StudentCharacteristic* and *StudentCharacteristic > Period* are reported so multiple Begin and End Dates for the characteristic can be reported under *StudentCharacteristic > Period*.
