# ASCENDER 9.0410

**Release Date:** 1/7/25 **ASCENDER Update:** 9.0410

## District Administration > Tables > District Information > Fall Finance TSDS Data

☐ Modified the program to restrict editing of **Account Code** fields for Budget and Payroll records that have been submitted to TEA. After TEA submission and assignment of an ODS ID, the **Account Code** fields will become read-only.

---

## District Administration > Maintenance > Non-Employee

☐ Corrected the issue where begin and end dates were not saved upon creating a new record. These dates are now correctly saved when a record is added or updated.

☐ Modified the program to require the **Begin Date** and **End Date** fields for all records. This allows contracted staff to be tracked annually for TSDS reporting.

☐ Added the **Extract for TSDS** checkbox to the **Instructional Staff** section. This option will create an entry in the staging table for each non-employee who has a termination date when selected. Additionally, this option was added to the associated Non-Employee Report.

## District Administration > Maintenance > Non-Employee > TSDS

☐ Added this tab to create and maintain TSDS/Responsibility records for non-employees. The information on this tab is only extracted for non-employees who have an assigned **TX Unique Staff ID** on the Non-Employee tab.

## District Administration > Inquiry > TSDS Level 1 Errors

☐ Modified the staging tables to extract actuals for classes 3XXX, 5XXX, and 7XXX objects by multiplying the amounts by -1. Note that this change will result in negative amounts for these classes if their current balances are positive. This corrects TSDS Mid-Year Finance fatal errors caused by the mentioned objects reporting negative amounts.

☐ Corrected the issue that prevented fund balance totals from being included on the TSDS Prior Year Actuals report (**Extract Prior Year Reprint**). This corrects TSDS Mid-Year fatal error 20032-0007.

## TSDS Updates

### Class Roster Winter

☐ Modified the **Session** and **Section** end dates to be the next instructional day after the attendance semester/cycle ends.

## StudentCharacteristic and StudentCharacteristic > Period

☐ Updated the way *StudentCharacteristic* and *StudentCharacteristic > Period* are reported so multiple Begin and End Dates for the characteristic can be reported under *StudentCharacteristic > Period*.
