# ASCENDER 9.0910

**Release Date:** 5/16/2025 **ASCENDER Update:** 9.0910

## TSDS Updates

### District Administration > Options > TSDS > Domains & Entities

- Modified the Send Status pop-up window to allow those users with the appropriate access to see the new Domain/Entity checkboxes and **Time** fields, and extract/send individual (previously processed) Domains/Entities as needed.

The screenshot shows the 'Send Status' pop-up window. At the top, there are buttons for 'Retrieve', 'Save', 'Extract & Send', and 'Reset'. Below this is a table with columns: Select, Domain, Entity, Total Nbr Records, Success, Extract Start Time, Extract End Time, Send Start Time, and Send End Time. The table contains data for various domains and entities, including Education Organization, School, SSA Org Association Ext (TX), Calendar, Calendar Date, Session, and Reporting Period Ext (TX). The 'Extract & Send' button is highlighted in yellow. At the bottom, there are three buttons: 'Extract & Send' (highlighted in yellow), 'Extract Only', and 'Send Only'. There are also 'First Level Submission' and 'Second Level Submission' sections on the left.

The following fields were added to the Send Status pop-up window:

- **Extract Start Time** - Indicates the time the extract started sending data to the staging table.
- **Extract End Time** - Indicates the time the extract completed sending data to the staging table.
- **Send Start Time** - Indicates the time the API started sending data to the Operational Data Store (ODS).
- **Send End Time** - Indicates the time the API completed sending data to the Operational Data Store (ODS).

The following buttons were added to the Send Status pop-up window:

- **Extract & Send**
- **Extract Only**
- **Send Only**

**NOTES:**

- Only users with access to both the Security Administration and District Administration applications will be able to view and interact with the updated Send Status pop-up window, including selecting Domain/Entity checkboxes and extracting or sending data.
  - Users with District Administration access but without Security Administration access will retain the existing functionality of the tab and will be able to see the updated Send Status pop-up window with the new **Time** fields but without the Domain/Entity checkboxes and Extract/Send buttons.
- 

**BasicReportingPeriodAttendance Entity**

Removed the following data elements from the BasicReportingPeriodAttendance entity:

- RSTotalEligibleDaysPresent
  - RATotalEligibleDaysPresent
- 

**Service ID Change**

Corrected the issue on Grade Reporting > Maintenance > Master Schedule > Campus Schedule that caused some users to experience difficulties excluding course information when they change a course to *8EXCLUDE* after the data has already extracted.

---

**Attendance > Maintenance > Campus > Campus Calendar**

Modified the *Calendar Reporting Period* extract Begin Date and End Date to allow a Waiver day for the end of a reporting period.

---

**Spec Ed Pgm Reporting Period Attendance**

Modified the Special Education Program Reporting Period Attendance extract to send 0 when RDSPD is empty.

---

**Student Section Extract - Course Completion**

Modified the Student Section Association extract to generate the course completion indicator for the term/session in which the course was completed, not for all sessions.
