ASCENDER 9.1000

ASCENDER 9.1000

Release Date: 6/6/25 **ASCENDER Update**: 9.1000

Systemwide: ASCENDER "404 – Page Not Found" Screen

❏ Updated the program to add the ASCENDER logo to screens when a *Page Not Found* or *System Error* is displayed when navigating to a URL that doesn't exist or that has been removed, when there is an application exception, or when a system operation exception occurs.

District Administration > Utilities > Annual Student Data Rollover

❏ Corrected the issue with the utility that prevented information from *Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info* from saving when the ASDR process is run.

❏ Corrected the issue with the utility that caused the process to fail when a student has two dyslexia risk codes with the same entry dates.

❏ Corrected the issue with the utility that caused the Begin Date in the **Campus Enrollment Type** group box on *Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info* to display the last school year begin date.

TSDS Updates

Accelerated Instruction Set Extract Error

❏ Corrected the error that caused issues with the Accelerated Instruction Set when the **Student Accelerated Education Plan** checkbox on *Grade Reporting > Maintenance > Student > Accelerated Instruction* is set to zero.

Special Ed Pgm Reporting Period Attendance - Extract

❏ Updated the program to account for when a student is not present and is not being serviced during a reporting period and create a record for that reporting period.

Dual Credit - College Credit Hours - Extract

❏ Modified *Course Transcript* and *Course Transcript Extension* to extract college credit hours from individual student course records instead of from the course section.

Fatal 30040-0049

❏ Modified the program to correct PK Teacher Requirements reporting during TSDS Extract processing. This update also corrects ECDS PK Fatal 30040-0049 for Business-only LEAs.
