ASCENDER Release 5.0.0400

NEW: SSA Fiscal Agent Management

The new SSA Fiscal Agent Management feature provides fiscal agents a more efficient way to handle grant budget amendments and reimbursement requests from SSA members. ESCs and LEAs can both be fiscal agents. When both entities use ASCENDER, this feature allows for a seamless exchange of electronic budget amendments, reimbursement requests, approvals, and disbursement payments.

Grants and Projects > Tables > SSA Grants > Grant Types

☐ Added this tab to allow fiscal agents to maintain a list of grant types and descriptions, which can be used to facilitate the appropriate workflows and member notifications for each grant type.

The screenshot displays the 'Grant Types' tab within the 'SSA Grants' section of the ASCENDER application. The interface includes a green header bar with navigation links: 'Tables > SSA Grants' and 'Grants And Projects'. Below the header, there is a 'Save' button. The main content area is divided into two tabs: 'GRANT TYPES' (selected) and 'PAYMENT DATES'. Under the 'GRANT TYPES' tab, there is a 'Start At:' input field and a 'Retrieve' button. Below this, there is a table with columns: 'Delete', 'Grant Type', 'Description', 'Grant Amount', and 'Status'. The 'Delete' column contains a trash icon. The 'Grant Type' and 'Description' columns have input fields. The 'Grant Amount' column has a search icon. The 'Status' column has a dropdown menu with 'Active' selected. At the bottom, there are navigation controls: 'First', a left arrow, a dropdown with '0', a right arrow, and 'Last'. An 'Add' button with a plus icon is also present.

Grants and Projects > Tables > SSA Grants > Payment Dates

☐ Added this tab to allow fiscal agents to maintain a list of cut-off dates and expected payment dates for each grant type per member.

☐ Added this page to create and maintain the sequence or hierarchy of approvers for member grant budget revision requests and reimbursement requests.

Tables > SSA Approval Path

Grants And Projects

Save

Grant Type: Retrieve

Reminder Days:

****Note - If Reminder Days value is greater than zero, Approver has that many days in order to respond to Approval before reminder email is sent to Approver. Subsequent emails will be sent daily after initial email. ****

Grant Type:

Approver	Email Opt-Out
No Rows	

**** DRAG-AND-DROP ****

Press and hold down the left mouse button on the desired row to "Grab" it. "Drag" the row to the desired location. "Drop" the row by releasing the mouse button.

WARNING

Changing the approval path will update all pending requests for the selected Workflow Grant Type when the Save button is clicked. Please inform all users to halt all workflow processing prior to save.

☐ Added this page to assign alternate approvers to approvers who are unable to perform their assigned approval duties during a specified timeframe for member grant budget revision requests and reimbursement requests.

NEW: Travel Reimbursement Requests

The new Travel Reimbursement Requests feature allows employees to request reimbursement of mileage, lodging, meals, and incidentals stemming from official business travel. This features offers a summary/detailed view of travel reimbursement requests and allows for a customized approval path to ensure timely reimbursement payments.

District Administration > Maintenance > User Profiles > Accounts

☐ Added the **TRAVEL** check box to the list of processes. If **Travel** is selected, the **Travel Request** application is displayed under APPS on the User Accounts Validation Report next to the associated account code(s).

Maintenance > User Profiles District Administration
