ASCENDER 11.0405

ASCENDER 11.0405

Release Date: 12/12/2025 **ASCENDER Update:** 11.0405

Finance > Utilities > IRIS > Connection

□ Added this tab to enter the assigned IRS credentials to create a connection from ASCENDER to the Information Returns Intake System (IRIS) system via the Application to Application (A2A) method when processing 1099-NEC and 1099-MISC information returns.

Notes:

- An IRIS Transmitter Control Code (TCC) is required before electronically filing through IRIS. The IRIS TCC is **not** the same as the FIRE TCC.
- The existing Filing Information Returns Electronically (FIRE) format is still available for 2025 processing; however, according to IRS, the targeted date for the retirement of the FIRE system is tax year 2026/filing season 2027.

The screenshot displays the 'Connection' configuration page for IRIS. At the top, there is a green navigation bar with 'Utilities > IRIS' on the left and 'Finance' on the right. Below the bar are two buttons: 'Save' and 'Retrieve'. The main content area is divided into two tabs: 'CONNECTION' (which is active) and 'IRIS PROCESSING'. Under the 'CONNECTION' tab, there is a 'Calendar Year' dropdown menu. The page is organized into two main sections: 'IRIS Settings' and 'Contact Information'. The 'IRIS Settings' section includes four input fields: 'Transmitter Control Code', 'A2A Client ID', 'User ID', and 'Key Identifier'. The 'Contact Information' section includes six input fields: 'First Name', 'Middle Name', 'Last Name', 'Phone Area Code', 'Phone Nbr', and 'E-mail'.

Finance > Utilities > IRIS > IRIS Processing

□ Added this tab to select vendors to be included in the 1099 information file, create the selected 1099 .xml file, and transmit and process 1099-NEC and 1099-MISC information returns to Information Returns Intake System (IRIS) via the Application to Application (A2A) method.

Payroll > Maintenance > Calendar YTD Data > Calendar YTD

Added the **Reportable Overtime** field to capture the half-time portion of overtime pay from the Payroll > Maintenance > Hours/Pay Transmittals > Ovtm Hours tab, which must be reported to employees. Eligible overtime wages include pay for hours worked over 40 in a week, calculated at 1.5 times the regular rate. Only the additional half-time portion, the extra 0.5 rate applied to overtime hours, is reportable.
