☐ Added the Bank Account Change report to the list of **Calculation Reports** to compare employee bank account information from the current payroll to the previous payroll. It provides a detailed listing of employees with bank account changes and specifies the type of change. The report assists in fraud prevention efforts by allowing users to identify, review, and verify bank account changes, helping to ensure all changes were authorized and processed by payroll staff.

This report was also added to the Payroll Reports menu: Payroll > Reports > Payroll Reports > HRS2450 - Bank Account Change.
