

ASCENDER 11.0510

Release Date: 1/xx/2025 **ASCENDER Update:** 11.0510

Finance > Utilities > IRIS > Connection

□ Added this tab to enter the assigned IRS credentials to create a connection from ASCENDER to the Information Returns Intake System (IRIS) system via the Application to Application (A2A) method when processing 1099-NEC and 1099-MISC information returns.

Notes:

- An IRIS Transmitter Control Code (TCC) is required before electronically filing through IRIS. The IRIS TCC is **not** the same as the FIRE TCC.
- The existing Filing Information Returns Electronically (FIRE) format is still available for 2025 processing; however, according to IRS, the targeted date for the retirement of the FIRE system is tax year 2026/filing season 2027.
