ASCENDER 11.0800

ASCENDER 11.0800

Release Date: 04/02/2026 **ASCENDER Update:** 11.0800

Accounts Receivable > Maintenance > Create/Modify Invoice

- Modified the invoice date fields to only allow numeric values (no spaces). This change corrects the issue that prevented approved invoices from being printed if a date field included spaces.
- Removed the horizontal scroll bar displayed at the bottom of the page when an error occurs.

Payroll > Maintenance > Staff Job/Pay Data > Distributions

- Bolded the **Account Code**, **Amount**, and **Activity Code** field labels to identify them as fields that will be extracted during TSDS reporting.

Payroll > Payroll Processing > Run Payroll

Corrected the issue that caused the HRS2150 - Pre-Post Check Register report to display an incorrect payroll period when using the **Consolidate Rpts** (Consolidated Reports) option.

Payroll > Payroll Processing > Payroll Adjustments > Check Issue

Corrected an issue that caused a database error to occur when retrieving distribution records for an employee.

Payroll > Reports > Quarterly Annual Reports

Modified the program to correctly calculate the W2 reportable overtime on the HRS5100 - W-2 Forms and HRS5350 - Reportable Overtime for Calendar YTD reports.

Personnel > Maintenance > Staff Demo > Demographic Information

Bolded the **Staff ID/SSN** and **Texas Unique Staff ID** field labels to identify them as fields that will be extracted during TSDS reporting.

Repositioned the **Name (Title, First, Middle, Last, Generation)** field labels to display above the entry fields instead of below.

The screenshot shows a web application interface for 'Personnel > Maintenance > Staff Demo > Demographic Information'. The form includes a 'Save' button, an 'Employee:' field, and buttons for 'Retrieve', 'Directory', 'Add Emp', 'TSDS Unique ID', and 'Documents'. Below these are tabs for 'DEMOGRAPHIC INFORMATION', 'CREDENTIALS', 'VERIFICATION', 'INSURANCE', 'SERVICE RECORD', and 'RESPONSIBILITY'. The 'DEMOGRAPHIC INFORMATION' tab is active, showing fields for 'Staff ID/SSN: 185-81-7299', 'Texas Unique Staff ID: [input]', 'Extract for UID Resub' (checkbox), and 'Last Change: 08-25-2005'. The 'Name' section has labels 'Title', 'First', 'Middle', 'Last', and 'Generation' positioned above the input fields. The 'Legal:' field has a dropdown menu, and the 'Former:' field has a dropdown menu.

Corrected the program to set the **Extract for UID Resub** value to N for newly created employee records. This change allows new employees who meet the applicable criteria to be included in the Texas Unique Staff ID Interface > Staff ID Export.
