Update 3.5.XXXX

Finance

Finance > Maintenance > Check Processing > Void Check

Corrected the issue that prevented PO encumbrance transactions from being posted to the logged-on accounting period.

Human Resources

Updated the state minimum salary calculations to allow TRS Position Codes 02 and 05 to be based on days greater than 187.

Corrected the state minimum salary calculation to use the **# of Days Empld** instead of the **Max Days**.
