ASCENDER

ASCENDER

Release Date: 3/23/2021 **ASCENDER Update:** 5.0.0202

Payroll > Payroll Processing > Payroll Adjustments > Check Void

Corrected the issue that prevented a check from being voided after the original payroll run inadvertently caused multiple checks to be generated for an employee.

Personnel > Maintenance > Staff Demo > Responsibility

Modified the program to display the **Grade Level** field on this tab as well as the User Created Reports page. Previously, the field was not displayed.

TxEIS

Release Date: 3/23/2021 **TxEIS Update:** 3.5.0233

Human Resources > Payroll Processing > Payroll Adjustments > Check Void

Corrected the issue that prevented a check from being voided after the original payroll run inadvertently caused multiple checks to be generated for an employee.
