# ASCENDER

**Release Date: ASCENDER Update:**

## Document Attachments

- ☐ Corrected the program to remove the case-sensitive validation from the document file extension. Previously, this issue prevented some documents from being successfully uploaded.
- ☐ Corrected the program to allow documents with multiple periods in the document name (e.g., doc.3.5.pdf ) to be successfully uploaded.
- ☐ Corrected the program to allow documents with multiple periods in the document name (e.g., doc.3.5.pdf ) to be successfully uploaded.
