

**ASCENDER**

# ASCENDER 5.0.0610

**Release Date: ASCENDER Update:**

## Payroll > Maintenance > Staff Job/Pay Data > Job Info

❑ Added the **Retiree Exception** field to select the applicable retiree exception code. This field is used in conjunction with the **Employment Type** and **Take Retiree Surcharge** fields to determine whether or not to calculate a retiree surcharge for the employee. A value cannot be saved if the employee's **TRS Status** is set to *1 Eligible* on the Pay Info tab. This field is disabled for XTRA jobs. The drop down contains the following values:

*E Surge Personnel*

*B Non-Profit Tutor Substitute*

*N Non-Profit Tutor Half Time or Less*

*T Non-Profit Tutor Full Time*

The screenshot displays the 'Maintenance > Staff Job/Pay Data' window with the 'Payroll' tab selected. The 'Job Info' section is active, showing employee details for '000113 - BROWN, BILLY E'. Key fields include 'Daily Rate' (225.071), 'Pay Rate' (4,238.83), and 'Contract Total' (50,866.00). A dropdown menu for 'Retiree Exception' is open, listing four options: 'B Non-Profit Tutor Substitute', 'E Surge Personnel', 'N Non-Profit Tutor Half Time or Less', and 'T Non-Profit Tutor Full Time'. The 'E Surge Personnel' option is currently selected.
