# ASCENDER 7.0700

**Release Date:** TBA **ASCENDER Update:** 7.0700

## Finance > Maintenance > Create Chart of Accounts

☐ Corrected the program to allow accounts without account activity to be deleted. Previously, a message was displayed indicating that the account was being used in the general ledger history table and could not be deleted.

---

## Finance > Maintenance > Postings > Check Processing - PA

☐ Corrected the program to prevent the computer check and reversal transaction from being marked for deletion (highlighted red) when changing a computer check to a district check.

---

## Finance > Maintenance > Vendor Information > Vendor Misc - Copy from Payroll

☐ Corrected the functionality of the **Copy from Payroll** button. Previously, in certain scenarios, a program error could occur when adding a bank code to Finance.

---

## Finance > Inquiry > GL Inquiry > GL Inquiry

☐ Added pagination to the JV detail pop-up window allowing users to view all accounts associated with the JV.

---

## Finance > Inquiry > Vendor Inquiry

☐ Modified the program to retain the originator's user ID details on the original transaction. For example, if a user creates a PO/PA transaction and then another user voids, reverses, or deletes that transaction, the originator's user ID will remain associated with the original transaction and the user ID of the subsequent user will be associated with the subsequent transaction(s).

## Finance > Utilities > Positive Pay Export

☐ Corrected the program error that occurred when clicking the **Print** button. This issue was caused by a bank account group with a blank **Bank Account Nbr** on the Bank Reconciliation > Tables > Bank Account Fund Groups tab.

☐ Corrected the program error that occurred when clicking the **Print** button. This issue was caused by a blank **Employer Offset Account** on the Payroll > Tables > Bank Codes > EFT tab.

---

## Payroll > Maintenance > Staff Job/Pay Data > Deductions

☐ Modified the program to allow 30 or more deduction codes to be saved.

---

## Payroll > Reports > User Created Reports

☐ Corrected the spelling of Contract in **Contract Balance** under **Job Information**.

---

## Personnel > Maintenance > Staff Demo

☐ Modified the display of error messages on each tab to improve the user experience.

---

## Purchasing > Maintenance > Approve Requisition

☐ Corrected the issue that prevented requisitions from being returned to the originator if the vendor number or account number was blank.

---

# CareerPortal

- ☐ Corrected various user interface issues to improve the user experience.
- 

# EmployeePortal

---

# MemberPortal

## **MemberPortal > Budget Revision Request & Reimbursement Request**
