# ASCENDER 7.1100

**Release Date: ASCENDER Update: 7.1100**

## Finance

☐ Corrected the issue that prevented vendor EFT notification emails from being generated and emailed.

---

## Payroll > Utilities > Transfer Transaction Processing > Mass Update/Delete

☐ Corrected the issue that prevented users from successfully deleting a range of transactions. Previously, the drop-down arrow was not displayed for the **To Pay Date** field and if the user entered a pay date in the field, the following error message was displayed: "Please enter valid To Pay Date in MM-dd-YYYY format."
