ASCENDER 8.0100

ASCENDER 8.0100

Release Date: 9/11/23 **ASCENDER Update:** 8.0100

ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot displays the ASCENDER Quick View dashboard interface. At the top left is a home icon. The dashboard is divided into several sections:

- ASCENDER News:** A section with a trash icon, containing news items such as "Annual Student Data Rollover Survey" and "Finance August".
- Approval Summary:** A section with a trash icon, showing "# Pending", "ID/Freq", and "Approval Type" with the status "No pending approvals".
- LEA News:** A section with a trash icon and a pagination menu (1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, 3x3). A black arrow points to the "LEA News" header. Below the header, there are two news entries: "First Day" with the text "The first day information is here!" and "More News Coming" with the text "Here is some more great news!".

□ Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows the ASCENDER software interface. At the top, there are three news boxes: 'ASCENDER News' with a message about the revamped ASDR process, 'Approval Summary' showing 0 pending approvals, and 'LEA News' with a message about first day information. Below these is a 'Finance at a Glance' section with a table of account data. A black arrow points to the 'Finance at a Glance' title. The table includes columns for Account, % Rlzd / Exp, and Exception, with rows for various account numbers and their respective values.
