Release Date: 9/01/2023 **ASCENDER Update:** 8.0100

ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

□ Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows a dashboard with several widgets:

- ASCENDER News:** Contains links for 'Annual Student Data Rollover Survey', 'Finance August', and a message: 'ASCENDER welcomes you to provide feedback on our revamped ASDR process by A...'. Below it, a message says 'Now is a great time to review that'.
- Approval Summary:** A table with columns '# Pending', 'ID/Freq', and 'Approval Type'. It shows 'No pending approvals'.
- LEA News:** Contains links for 'First Day' and 'More News Coming', with messages: 'The first day information is here!' and 'Here is some more great news!'.
- Finance at a Glance:** A table showing financial data as of 08-15-2023 04:00 PM. A note states '*Account has actuals with no budget'. The table has columns for 'Account', '% Rlzd / Exp', and 'Exception'. A black arrow points to the 'Finance at a Glance' title. Filter buttons for '<80', '<=100', '>100', and 'Exception' are visible.
