

ASCENDER 8.0100

Release Date: 9/01/2023 **ASCENDER Update:** 8.0100

ASCENDER Homepage

- Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage Quick View dashboard. At the top, there is a green header bar with a home icon. Below it, the dashboard is divided into several sections. On the left, there is a 'LEA News' section containing a news item about the 'Annual Student Data Rollover Survey'. To the right of this is an 'Approval Summary' section showing 'No pending approvals'. At the bottom of the dashboard, there is another 'LEA News' section with links for 'First Day' and 'More News Coming'. A large black arrow points to the 'LEA News' section at the bottom.

- Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows the ASCENDER software interface. At the top, there are news sections for 'ASCENDER News' and 'LEA News'. Below these are sections for 'Approval Summary' and 'Finance at a Glance'. The 'Finance at a Glance' section is highlighted with a black arrow pointing to the 'Finance at a Glance' label. It displays a table of financial data with columns for Account, % Rizd / Exp, and Exception. The table includes rows for various account numbers, with some cells colored pink, green, or yellow. At the bottom of the 'Finance at a Glance' section, there are filter buttons for '<80', '<=100', '>100', and 'Exception'.
