Release Date: 9/01/2023 **ASCENDER Update:** 8.0100

ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot displays the ASCENDER Quick View dashboard. At the top left is a home icon. The dashboard is divided into three main sections:

- ASCENDER News:** A list of news items with a trash icon. Visible items include:
 - Annual Student Data Rollover Survey: ASCENDER welcomes you to provide feedback on our revamped ASDR process by A...
 - Finance August: Now is a great time to review that
- Approval Summary:** A summary box with a trash icon. It contains a table with columns: # Pending, ID/Freq, and Approval Type. The text below the table reads: "No pending approvals".
- LEA News:** A section with a trash icon and a navigation menu (1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, 3x3). A black arrow points to the "LEA News" header. Below the header, there are two news entries:
 - First Day: The first day information is here!
 - More News Coming: Here is some more great news!

□ Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.
