

ASCENDER 8.0100

Release Date: 9/01/2023 **ASCENDER Update:** 8.0100

ASCENDER Homepage

- Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage Quick View dashboard. At the top, there is a green header bar with a home icon. Below it, the dashboard is divided into several sections. On the left, there is a 'LEA News' section with a large black arrow pointing to it. This section contains news items such as 'Annual Student Data Rollover Survey' and 'Finance August'. To the right of this is an 'Approval Summary' section showing 'No pending approvals'. At the bottom, there is a 'LEA News' section with links for 'First Day' and 'More News Coming'. The 'First Day' section contains the text 'The first day information is here!' and 'Here is some more great news!'. There are also some small icons and text at the bottom right of the dashboard.

- Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows the ASCENDER software interface. At the top, there are two news sections: 'ASCENDER News' and 'LEA News'. Below these is an 'Approval Summary' section. The main area is titled 'Finance at a Glance' with a sub-note 'As of 08-15-2023 04:00 PM *Account has actuals with no budget'. To the right of this note are four filter buttons: '<80', '<=100', '>100', and 'Exception'. Below the note is a table with 11 rows of financial data, each with an account number and a percentage value in the 'Exception' column. An arrow points to the 'Finance at a Glance' title.

Account	% Rizd / Exp	Exception
197-8-00-57XX-000	0.00	*
197-8-21-62XX-041	0.00	*
