**Release Date:** 9/08/2023 **ASCENDER Update:** 8.0100

## ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot displays the ASCENDER Quick View dashboard interface. At the top left is a home icon. The dashboard is divided into several sections:

- ASCENDER News:** A section with a trash icon. It contains three news items:
  - Annual Student Data Rollover Survey:** ASCENDER welcomes you to provide feedback on our revamped ASDR process by A...
  - Finance August:** Now is a great time to review that...
- Approval Summary:** A section with a trash icon. It shows a table with columns: # Pending, ID/Freq, and Approval Type. Below the table, it states "No pending approvals".
- LEA News:** A section with a trash icon and a pagination control (1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, 3x3). It contains two news items:
  - First Day:** The first day information is here!
  - More News Coming:** Here is some more great news!
 A black arrow points to the "LEA News" header.

□ Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows the ASCENDER software interface. At the top, there are three news cards: 'ASCENDER News' with a message about the revamped ASDR process, 'Approval Summary' showing 0 pending approvals, and 'LEA News' with first day information. Below these is a 'Finance at a Glance' section with a table of account data. A black arrow points to the 'Finance at a Glance' title. The table includes columns for Account, % Rlzd / Exp, and Exception, with rows for various account numbers and their respective values.
