Release Date: 9/8/23 **ASCENDER Update:** 8.0100

ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot displays the ASCENDER Homepage Quick View dashboard. At the top left is a home icon. The dashboard is divided into three main sections:

- ASCENDER News:** A list of news items with a trash icon. Visible items include:
 - Annual Student Data Rollover Survey: ASCENDER welcomes you to provide feedback on our revamped ASDR process by A...
 - Finance August: Now is a great time to review that...
- Approval Summary:** A summary box with a trash icon. It contains a table with columns: # Pending, ID/Freq, and Approval Type. The content below the table reads: "No pending approvals".
- LEA News:** A section with a trash icon and a pagination menu (1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, 3x3). A black arrow points to the "LEA News" header. Below the header, there are two news entries:
 - First Day: The first day information is here!
 - More News Coming: Here is some more great news!

□ Added the **Finance at a Glance** element to the Quick View dashboard. This feature displays a personalized summary of accounts based on the user's profile in District Administration. This data is retrieved from the general ledger balances in Finance file ID C and is updated on an hourly basis (at the top of the hour). Additionally, there are filters available to view selected accounts.

The screenshot shows a dashboard with several widgets. At the top left is a home icon. Below it are three news widgets: 'ASCENDER News' with a message about providing feedback on the revamped ASDR process; 'Approval Summary' showing 0 pending approvals; and 'LEA News' with a message about first day information. Below these is a 'Finance at a Glance' widget, indicated by a black arrow. It shows a table of financial data as of 08-15-2023 04:00 PM, with a note that accounts have actuals but no budget. The table has columns for Account, % Rlzd / Exp, and Exception. A legend at the top right of the table shows color-coded boxes for values less than 80, less than or equal to 100, greater than 100, and Exception.
