ASCENDER Homepage

- Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage with a green header bar. Below the header, there are two main sections: 'ASCENDER News' and 'Approval Summary'. The 'ASCENDER News' section contains news items like 'Annual Student Data Rollover Survey' and 'Finance August'. The 'Approval Summary' section shows 'No pending approvals'. At the bottom, there is a 'LEA News' section with a large black arrow pointing to it. This section contains news items like 'First Day' and 'More News Coming', along with a summary: 'The first day information is here! Here is some more great news!'. There are also small icons for layout options (1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, 3x3) and a trash can icon.
