

ASCENDER 8.1200

ASCENDER 8.1200

Release Date: 7/31/24 **ASCENDER Update:** 8.1200

Personnel > Maintenance > Employment Info

Added the **Extract for TSDS** checkbox to the **Employment Dates** section. If selected, the employee will be included in TSDS Staff Domain extracts regardless of their employment status.

The screenshot shows the 'Maintenance > Employment Info' page. At the top, there is a 'Save' button. Below it, an 'Employee' search bar with a dropdown arrow, and 'Retrieve' and 'Directory' buttons. The main area is titled 'EMPLOYMENT INFO' and contains several sections: 'Employment Dates' (with fields for Original Emp Date, Latest Re-Employ Date, Termination Date, Extract for TSDS, and Termination Reason), 'Employment Types' (with fields for Employment Type, Sub Type, Highly Qualified, Year Round, Extract ID, and Highest Degree), and 'Retiree Information' (with fields for Retirement Date, Retiree Employment Type, Take Retiree Surcharge, and NY Take Retiree Surcharge). The 'Extract for TSDS' checkbox in the 'Employment Dates' section is highlighted with a yellow box.
