ASCENDER Business Known Issues

Release Date: 10/28/2024 **ASCENDER Update:** 9.0200

This issue is a high priority and will be corrected as quickly as possible.

Payroll > Maintenance > Approve CIP Transaction

When a CIP is approved, the system erroneously adds the new position to the existing position, leading to a doubled **Percent Day Employed** value. As a temporary solution, users can manually edit the **Percent Day Employed** value on the Personnel > Maintenance > Employment Info tab.
