

Release Date: 11/5/2020 **TxEIS/ASCENDER Update:** 3.5.0216

State Reporting > Extracts > Fall > Staff

Modified the program so that **Classroom Responsibilities from Master Schedule** on the Responsibilities tab will now calculate the grade level with the most enrolled students on the As-of Date when the instructor for the class has a **Role ID** of 033, 047, or 087 and **Pop Srvd** is 06. If the **Role ID** is 033, 047 or 087 and **Pop Srvd** is 06, then **TX-GradeLevel** must be reported.

State Reporting > Extracts > Fall > Student

Modified the program with the PEIMS Fall Rules for 2020-2021.

State Reporting > Utilities > TEA Census Block

Modified the Export Address file to exclude students when **As of Status** A, C, E, or G is entered on the Miscellaneous tab on State Reporting > Maintenance > Fall > Student > Demo. Students who meet all of the criteria for the Census Block report other than As-of Status, will be included on the Missing/Invalid Data Report on State Reporting > Utilities > TEA Census Block > Export Address.
