Update 3.5.0XXX

State Reporting > Maintenance > Summer > Student

❏ Corrected the program which was setting the LEP Indicator to 1 for some students when the Attendance Extract was run for semester 2.

❏ Corrected the issue that caused certain students to be excluded from the Residential Facility Tracking > StudentEnrollment and StudentParent Interchanges. Also, corrected the issue that prevented inactive students from being populated in the **Selected Students** ellipses.

State Reporting > Utilities > Create TSDS Core Collections Interchanges

❏ Modified the Early Childhood Data System - PK > Staff Association Interchange to extract data for instructors who are teaching a qualifying PK homeroom class containing only grade level EE students.

❏ Corrected the issue that caused the Early Childhood Data System - PK > Staff Association Interchange to fail when a Student-only district added PK instructor data to the Business Human Resources application.

❏ Corrected the Early Childhood Data System - PK interchange for Student-only schools where the **Selected Staff** field was displaying an error.

State Reporting > Utilities > Create TSDS PEIMS Interchanges

❏ Corrected the program to write a blank value to *<TX-EffectiveDateSpEd/>* and extract data for the following collections. Previously, the program failed to create the interchanges if there was an invalid **Entry Date** on the student's Special Education record.

- Sumr1 - First Submission
- Sumr2 - Resubmission
- Sumr3 - Working Collection

State Reporting > Reports > Summer

❏ Removed the **Staff Report Group** from the page, which included the following reports:

- Course Section Student Totals

- Summer Staff Demo Data
- Teaching Assignments

❏ Corrected the Summer Student Special Education report to display a second row with the **Effective Date** (i.e., **Exit Date** on the Registration > Maintenance > Summer > Student > Special Ed tab) and all zero values for students exiting the Special Education program.
