

---

**Release Date:** 10/29/20 **TxEIS/ASCENDER Update:** 3.5.0213

Corrected the issue that caused the staff interchange files from being created when an employee has multiple responsibility records that require the paraprofessional certification indicator to be reported.

---

### **State Reporting > Extracts > Fall > Student**

Added functionality for school year 2020-2021 to include Post Secondary Certifications only when the **Reimburse** field is not checked. The Certifications must have been earned between 06-01-2020 and 08-31-2020.

**NOTE:** Any Industry Based Certifications earned from 9/1/2019-05/31/2020 that will be reported in one-time reporting extension (Fall Submission) will need to be manually entered in State Reporting > Maintenance > Fall > Student > Industry Cert. The **Certification, Date Completed, Exam Fee** and **Vendor** will also need to be entered in the appropriate year in the Graduation Plan or Registration application.

---

### **State Reporting > Utilities > Create TSDS PEIMS Interchanges**

Updated the program when creating the Fall Student interchange to not report the Crisis Code if it is 00 and the **As-of Status Cd** is A.
