

Release Date: 8/16/21 **ASCENDER Update:** 5.0.0222

State Reporting > Extracts > Extended > Additional Days School Year

- Corrected an issue that was preventing ADSY students to extract when a student has overlapping enrollment dates due to being a No-Show at one campus and enrolled during the same dates at another.
 - Modified the program to exclude ADSY courses with Service ID *8EXCLUDE* from staff responsibility records. If an instructor only teaches ADSY courses with Service ID *8EXCLUDE*, that instructor will not have a staff demo record.
-

State Reporting > Extracts > Extended > Bilingual/ESL Summer School Program

- Corrected an issue that caused the user to get a program error after the extract is run for the Bilingual/ESL Summer School Program and when the **Print Bil/ESL** button or the **Print ESY** button is clicked to display report.
-

State Reporting > Maintenance > Extended > Maintenance > Student

- Updated the URLs to display **Student** when navigating to State Reporting > Maintenance > Extended.
-

State Reporting > Utilities > Create TSDS PEIMS Interchanges

- Modified Extended Year **Extended Collection** *Student Attendance Interchange* taglines for element Eligible Days Present.

When the value is 0.0, the tagline will not generate for attendance events 02 (BIL-ESL), 04 (PRS), 05 (SPECIAL ED) and 11 (SPECIAL ED MAINSTREAM).

- Modified Extended Year **Extended Collection** *Student Program Interchange* to successfully generate for the Extended Year Submission.

- Modified Extended Year **Extended Collection** *Educational Organization Interchange* to retrieve Additional Days School Year (ADSY) data for the Course Complex Type.

- Modified Extended Year **Extended Collection** *Student Enrollment Interchange* to generate Student School Association Complex for Additional School Days School Year (ADSY) students.

- Modified *Student Program Interchange* so that when TotalESYContactHoursInstructionalSetting is 000.0, the instructional setting and 000.0 hours will not be written to the interchange.
