ASCENDER 7.1000

ASCENDER 7.1000

Release Date: 6/2/23 **ASCENDER Update**: 7.1000

Removed the **Feedback** button from all application pages. The following statement will be posted in the ASCENDER News Section to explain: "The client feedback button was introduced when the TCC transitioned from TxEIS to ASCENDER. We have removed the button and welcome your feedback through your local ESC ASCENDER support team."

State Reporting

❏ Modified the program to remove the **Feedback** button from the main page.

State Reporting > Extracts > Summer > Special Education

❏ Corrected the issue that caused the Special Education extract to extract an End Date to the Special Education record when a student withdraws from the district prior to end of the year.

State Reporting > Utilities > Create TSDS Core Collections Interchanges > Child Find > Student Program Interchange

❏ Modified the taglines *TX-EffectiveDateServices* and *TX-EarlyChildhoodIntervention* to first query table SR_STU_SPPI12.

State Reporting > Maintenance > Fall > Student > Leaver

❏ Modified the page to add the **Tx First Early HS Completion Pgm** option with a drop-down menu for SY 2023-2024.

This element TEXAS-FIRST-EARLY-HS-COMPLETION-PROGRAM (E1736) (Code table: C233) indicates whether the student graduated early under the Texas First Early High School Completion Program.

❏ Updated *State Reporting > Extracts > Fall > Student* with element TEXAS-FIRST-EARLY-HS-COMPLETION-PROGRAM (E1736) so users are able to access the dropdown menu when selecting an option from the **Texas First Early HS Completion Pg**.

State Reporting > Utilities > Create TSDS PEIMS Interchanges > Fall

❏ Added data element TEXAS-FIRST-EARLY-HS-COMPLETION-PROGRAM (E1736) (Code table C233) (TX-TexasFirstEarlyHSCompletionProgram) to Complex Type: StudentGraduationProgramExtension in the *Student Enrollment Interchange*.
