Admin > Elementary Report Cards > Manage Elementary Skills-Based Report Cards

Corrected an issue where teachers could not see the logo on the report card in the **Print** window.

Grades > Assignment Grades

Updated the program to add a gray background for **Excluded** grades.

Updated the program to properly convert **E, S, N, or U** to any order of **A, B, C, or F** based on the grade conversion table in **Grade Reporting > Maintenance > Tables > Campus Control Options > Ranges & Conversions** which corrected the system error that occurred when the teacher clicked **Retrieve**.

Previously, if you mapped **N** to **F** and **U** to **C**, an error displayed.

Updated the program to display fields for **Pin, Save** and **Calculate Averages** at the top and bottom of the page.

The screenshot shows a user interface with a light blue background. At the top, there is a 'PIN:' label followed by an empty text input field. To the right of the input field are two blue buttons: 'Save' and 'Calculate Averages'. Below this is a table with three columns: 'Student ID', 'Student Name', and 'Cycle Average'. The first row contains the student ID '502881' and the name 'T MONROE, COLTON W'. Below the table, there is a section labeled 'Overall Averages:'. At the bottom of the interface, there is another 'PIN:' label with an input field and 'Save' and 'Calculate Averages' buttons. Red ovals highlight the 'Save' and 'Calculate Averages' buttons in both the top and bottom sections.

Reintroduces the **Shown Withdrawn** option to the page.

Grades > Cycle Grades

Corrected the program to properly retain updated citizenship grade values after entering the **PIN** and clicking **Save**. Previously, if a campus set default citizenship grades on the Grade Reporting > Maintenance > Tables > Campus Control Options > Posting tab and the teacher tried to update multiple citizenship grades to values other than the default value, the updated grades would default to the last grade entered.

Grades > Elementary Report Cards > Print Elementary Report Cards

Corrected an issue in *TeacherPortal* and *txGradebook* where attendance was not displaying on the report card when printed.
