ASCENDER Homepage

Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage Quick View dashboard. It features a green header with a home icon. Below the header, there are two main sections: 'ASCENDER News' and 'Approval Summary'. The 'ASCENDER News' section contains a list of news items, including 'Annual Student Data Rollover Survey' and 'Finance August'. The 'Approval Summary' section shows '# Pending' and 'ID/Freq' with 'No pending approvals'. At the bottom, there is a 'LEA News' section, which is highlighted with a black arrow. This section contains a 'First Day' news item with the text 'The first day information is here!' and 'Here is some more great news!'. There are also pagination controls for the LEA News section.

Added the **Daily Attendance by Campus** element on the ASCENDER Homepage Quick View dashboard. This feature allows LEA personnel to quickly and conveniently view in a pie chart, the attendance totals for an authorized campus or the sum of all authorized campuses for the day. This listing will be updated each day at noon.
