

# ASCENDER 11.0110

**Release Date:** 9/11/25 **ASCENDER Update:** 11.0110

## Discipline > Maintenance > Student > Maintenance

- Modified the page to move the **SSSP Team Review** checkbox from the Discipline Incident section to the Discipline Offense section.

The screenshot shows a software interface for managing student incidents. At the top, there are various input fields for incident details like date, time, and location. Below these, a section for 'Discipline Offense' is shown. A callout box highlights the 'SSSP Team Review' checkbox, which is now located in this section instead of the 'Discipline Incident' section. The interface also includes buttons for 'Delete', 'Offense', 'Level', 'Extract', and 'ELMs'. To the right, there are buttons for 'Victim', 'Restraint', 'Print Profile', 'Picture', and 'Comments'.

## Graduation Plan > Maintenance > Student > Individual Maintenance > Performance Acknowledgement

Modified the page with the following changes for school year 2025-2026 and beyond.

- Removed the **Associate Degree** drop-down menu.
- Added an **Associate Degree** section to the page.

## Registration > Utilities > TEA Census Block

- Corrected the issue that caused some clients to receive an error when importing the census block output file.

## Registration > Utilities > TEA Census Block > Export Address

- Modified the utility so that if a user selects a single campus, only records from the selected campus generate to the export file.
- Modified the utility to include students that were active *on or before* the snapshot date.

## Registration > Utilities > TEA Census Block > Import Census Block

- Updated the utility to improve performance and speed up the import process for large files.

- Modified the utility so the Census Block **Begin Date** will update to the student's actual enrollment date if the date entered is prior to the student's enrollment date.
