ASCENDER 11.0800

ASCENDER 11.0800

Release Date: 4/2/26 ASCENDER Update: 11.0800

Discipline > Maintenance > Tables > District Level > Offense Codes

Updated an offence code from *Terroristic Threat - TEC 37.006 (a)(2)* to *Terroristic Threat - TEC 37.006(a)(1) or 37.007(b)(1)* to match the TWEDS description.

Discipline > Maintenance > Student > Maintenance

Addressed the following issues with the page:

- Corrected the issue that caused the **To Date** data for Discipline Action to auto-populate the **From Date** data into the field. The **To Date** should be entered manually.
- Corrected the issue that cause the **Actual Length** for Discipline Action to auto-populate the **Official Length** data into the field. The **Actual Length** should be entered manually.

Added **Homeless Status** to the page to display status (Y or N) at the time of the Incident Date. This data will auto-populate when a student is retrieved.

The screenshot shows a web interface with three tabs: 'MAINTENANCE' (selected), 'VICTIM INFORMATION', and 'RESTRAINT INFORMATION'. Below the tabs is a 'STUDENT:' label followed by a text input field. At the bottom of the form, there are fields for 'Grade: 05', 'DOB: 07-13-2015', and 'Sex: M'. A 'Homeless Status:' field is highlighted with a red oval.

Grade Reporting > Maintenance > Master Schedule > Campus Schedule > Section

Updated the page for sy 2026 and beyond to add an **R-PEP Hrs** field allowing the program to automatically capture calculations.
