

## **ASCENDER/TxEIS Student Release Notes**

# **ASCENDER/TxEIS Student Release Notes**

**Update 3.4.0143** 

## **TxEIS Graduation Plan**

Graduation Plan > Maintenance > Student > Individual Maintenance > PGP
☐ Corrected the program to allow you to save PGP data for a student who did not have existing graduation plan data.
TxEIS Registration
Registration > Maintenance > Student Enrollment > W/R Enroll
$\ \square$ Prevented the fields below the grid from disappearing when withdrawing and then re-enrolling a student.
Registration > Maintenance > Prior Year Leaver Tracking
$\square$ Removed the following fields for the 2019-2020 school year and later:
<ul> <li>Graduation Program (all fields)</li> <li>Graduation Performance Acknowledgments (all fields)</li> </ul>
Registration > Reports > Registration Reports > Student > SRG2400 - Students Without a Parent Portal Account Report
$\square$ Added the report name to the Registration Reports menu.

### **ASCENDER ParentPortal**

**Update 4.0.0.10x** 

My Account
☐ Corrected the issue that caused the <b>Enroll a New Student</b> button to be disabled for new accounts.
□ Corrected the program to disable the <b>Enroll a New Student</b> button when the district has set <b>Enable Parent Access</b> to <b>No</b> on <b>ASCENDER ParentPortal Admin &gt; Form Group Management &gt; Form Settings</b> .
ASCENDER ParentPortal Admin > Form Management > Custom Forms > Create Custom Form
☐ Increased the characters allowed in the <b>Paragraph</b> option from 200 to 1000.
