Update 3.5.01XX

Grade Reporting

Registration > Maintenance > Online Registration > New Student Enrollment > Register Student

Added the **Xfer Factor** field allowing you to enroll a student who would otherwise be assigned to another campus when a campus is capped. This field allows you override the cap for the current year. The list of Transfer Factor reasons is maintained on **Registration > Maintenance > District Profile > Tables > Transfer Factor CY**.

Added the **Attendance Zones** section which provides a list of campuses in the student's attendance zone. If Attendance Zones are used in the district (i.e, if **Attendance Zone Edit** is selected on **Registration > Maintenance > District Profile > District Information > Attendance Zone Options**), the student's physical address will be validated against the campus Attendance Zones. If the student's physical address is not within a street segment as defined on the campus Attendance Zones page, the student cannot be enrolled.

The screenshot shows a web form for student registration. At the top, there are buttons for 'Save', 'Return', 'Information Request', and 'Submitted Standard Forms'. The 'Student ID' field is empty, and the 'Student Key' is 'WFN9ySpA3GmoYUGI'. The 'Demographic Information' section includes fields for 'Grade', 'Entry Dt', 'Track', 'Elig Code', and 'Next Year Student'. The 'Name' section has fields for 'First' (Perdita), 'Middle' (puppy), and 'Last' (Stewart), along with 'Gen' and 'Nickname'. The 'Social Security Number Denied' checkbox is checked, and the 'SSN' is '898-98-9898'. The 'Sex' is 'F' and 'DOB' is '07-01-2015'. There are also checkboxes for 'Hispanic/Latino', 'White', 'Black/African American', 'Asian', 'American Indian/Alaskan Native', and 'Hawaiian/Pacific Isl'. The 'Phone / Address' section includes fields for 'Phone Nbr', 'Cell Ph Nbr', 'E-mail', and 'Mailing' (123456 Main Street San Antonio TX 78209). A table titled 'Attendance Zones' is visible on the right side of the form.

Registration > Reports > Registration Reports > Student > SRG2600 - Attendance Zones Invalid Addresses

Added the report which provides a list of invalid addresses for districts using Attendance Zones, which can be used to correct Attendance Zone information. The report matches the student's Physical Address on Demo1 against the Attendance Zones addresses.

If the student's address is found, the student is not listed.

If the student's address is not found, the student is listed, along with the valid Attendance Zone campuses for that address.
