Update 3.5.01xx

Grade Reporting > Utilities > STAAR/TAKS Precoding Extract

☐ Corrected the STAAR 3-8 Early and STAAR 3-8 extracts to only include data that pertains to correct subject and test mode (Online or Paper).

For STAAR 3-8 Early, the extract will only include information for Reading and Math if the student is in grade level 5 or 8 (current enrollment or above grade), and Writing for grade level 4 or 7 (current enrollment or above grade).

For STAAR 3-8, the extract will not include any information for Writing since this is only applicable to STAAR 3-8 Early (April).

For both STAAR 3-8 and STAAR 3-8 Early, the Online Test Group Name columns for each subject will be blank when Paper test is selected.
