ASCENDER ParentPortal

ASCENDER ParentPortal

Update 4.1.0.XX

ParentPortal Admin > Admin Settings > User Settings

❏ Corrected the search functionality to correctly retrieve users from multiple campuses according to the **Multi Campus User** setting on *Grade Reporting > Maintenance > Gradebook Options > District > Administrative Users*.

ParentPortal > Returning Student Registration

❏ Corrected the program to update the school year value in the database according to the date range specified on *ASCENDER ParentPortal Admin > Form Group Management > Form Settings*.

Returning Student Registration

❏ Corrected the Registration form and Print Confirmation page to display the student's full name correctly when it contains an apostrophe.
