Update 3.5.0182

## **Registration > Maintenance > Campus Profile > Campus Information Maintenance**

Modified the program to accept the new description for **Role ID** of *008: School Counselor* (old description was *008: Counselor*) when validating changes for school year 2021.

## **Registration > Maintenance > Online Registration > Pending Update**

Corrected Pending Update Details to copy data into previous school year when applicable on save. This correction is required before you run Move to Grade Reporting (MTGR) if you are using Online Registration. If you have already run MTGR, open a ticket with the TCC and submit a copy of your database before and after running MTGR.

## **Login > Create Account**

Corrected the program so that you can go through the Create Account wizard to create an account. This was due to an issue with a common file. StudentPortal itself was not updated.
