Update 3.5.0xxx

Registration > Maintenance > District Profile > District Information > District Maintenance

☐ Added the **Do not create STAAR 2020 Waived Recds** field to the Control Info tab. When selected, any 2020 waived records for STAAR 3-8 and STAAR EOC created by the system will be deleted. If the field is deselected later, waived records will be created if students a) earned full credit for a STAAR EOC course or b) were enrolled grade levels 3-8 when the STAAR 3-8 exam was given.

Registration > Utilities > TReX Export

☐ Added the *C - 2020 DidNotMeet* code to the EOC record for transcripts and transfer files created by the program.

Test Scores > Maintenance > Individual Maintenance > EOC

☐ Added the *C - 2020 DidNotMeet* code to the program for ending school year 2020 for students who did not meet the EOC requirements. The code will appear on the AAR produced by clicking the **Print AAR** button on the Maintenance > Student > Individual Maint > Cumulative Courses tab in Grade Reporting, SGP1000 - Student Personal Graduation Plan, SGR2047 - AAR Multi-Year, and SRG0400 - Student Information Sheet (Attendance, Grade Reporting, and Registration).
