Update 3.5.0186

## Attendance > Maintenance > Campus > Next Year Copy Calendar

❏ Modified the program to no longer require you to press the ENTER key when adding a new track. Now, the new attendance track is automatically added to the grid after you click **+Add** and type the two-digit track. Previously, a browser error occurred upon pressing the ENTER key.

## Registration > Maintenance > Online Registration > Pending Updates

❏ Corrected the pending update errors that occurred when trying to accept and save records.

## Scheduling > Maintenance > Live Scheduling Load

❏ Modified the Run Schedule Load functionality to reduce processing time and table locks.

Update 4.2.X.X

## Administrator

## Form Group Management > New Student Enrollment
## Form Group Management > Returning Student Registration

❏ Updated the wording of the Food Allergy Disclosure form under Standard Forms:

- Previous wording: "The nurse will contact you for a note from your physician if your child has food allergies."
- Updated wording: "The parent will provide a doctor's note, notify the school nurse, and food & nutrition if your child has an anaphylactic food allergy that requires an EpiPen."

**Form Group Management> Returning Student Registration**

❑ Updated the program to properly show static forms in Returning Student Enrollment and Student Data Maintenance.

# Parent

**My Account > Enroll a New Student > Step 3 > Add Address**
**My Account > Enroll a New Student > Step 4 > Student Information**

❑ Updated the program to properly make some required fields that were allowing the forms to be submitted required.
